Multiple Locksets Choice

We manufacture various types of high quality locksets in our own factory to meet different needs from our customers.

Item No. : 1A-LT 4-Digit Combination Lock

Material: ABS

Feature:

1. Keyless convenience
2. User to set their own number codes
3. Master key for emergency openings
4. Master key to retrieve the lost code

Master key

Item No. : 31A-LT Coin Operated Lock

Material: ABS, zinc alloy
Key code: 10,000
Coin dimension:
Diameter is 18.5-30mm
Thickness is 1.3-3mm
Coin box: 80 coins

Coin retain box

Coin box for collecting users' charge

41A-LT RFID Lock

Material: ABS

Finished: white

Door thickness: 0.6-20mm

Feature:

1. Card: MIFARE 13.56MHz
2. Power supply: 2 x AA alkaline batteries
3. Input voltage: DC3V
4. Opening mode: induction
5. Use condition: temperature -15°C~65°C; humidity 5%~95%
6. Three types of keys are required to operate the lock
7. Master key for emergency door opening

User key

Admin key

INTRODUCTION

Our manufacturing partner based in Luoyang City, China was founded in 2008. The main products are Filing cabinet, Mobile Pedestal, Steel locker, School Furniture, Goods Shelves and so on. They are sold very well all over 80 countries and regions in the world.

The factory has full sets of automatic production machines for Cutting, Punching, Bending and Powder coating. All the products are made from high quality cold-rolled steel sheet plate and environment protected powders. Monthly output of steel office furniture is up to 10,000 pieces.

"Quality first" is our enterprise principle. And we sincerely looks forward to cooperating with you.
